## Monkey Business

I know you want to move  
When you find the groove  
Like a hurricane in my mind

Everybody is going  
Everyone would come  
If six was nine  
You know I wouldn't really mind

Everybody is going  
Everyone would come  
Going down to Café Luna

Find yourself together  
I want to put it in

Sensation sensation  
The doctor is coming  
I think I like it  
Never let it stop  
Sensation sensation  
Ray Fuzzy and Fred  
I think I like it  
Never let it stop

Gonna get to party  
and find a thing to do  
To get up in the morning  
You know it is up to you  
Gonna heed my feelings  
Gonna make it on the floor  
Gonna let them people show your thing  
You got to do it more

Everyone would come  
If six was nine  
You know I wouldn't really mind it

Sensation sensation  
The doctor is coming  
I think I like it  
Never let it stop  
Sensation sensation  
Ray Fuzzy and Fred  
I think I like it  
Never let it stop  
Sensation sensation  
Hiram is smoking  
I think I like it  
Never let it stop  
Sensation sensation  
Dopita on the saw  
I think I like it  
Never let it stop

Yeah, I like it like that...

Tear the roof off, we're gonna tear the roof off the mutha sucka  
Tear the roof off the sucker

Sensation sensation  
I think I like it  
Never let it stop
