

# Forgiven

**Mono Inc.**

Why do you talk when you should listen  
Why do you rape when you should pay  
Where do you stand when we're assigned to good or bad  
May your sins be forgiven half an hour before the devil knows you're dead  
May all your sins be forgiven before the devil knows you're dead love  
Why do you plunge when you should stand up  
Why do you kill when you should praise  
What do they say those insane voices in your head  
May your soul arrive in heaven half an hour before the devil knows you're dead  
May all your sins be forgiven before the devil knows you're dead love  
May all your sins be forgiven before you're dead and gone  
May all your sins be forgiven
