

Rest in Grace

Mono Inc.

A picture of you
On Columbus Day
A picture of you
Full of joy full of life
A smile on your face
So beautiful
And I don't know how to go on but I'll try

Rest in peace
Rest in grace
And the tears roll down my face
You took my love and I'm left on my own
You're gone too soon or I'm too late
You know that I can't wait to be with you
I'm counting the days
Rest in grace

I gaze at the skies
Are you watching me
Look over the things
You collected over years
I walk through your room
It still smells of you
And I don't know where to move now so I will stay right here

Rest in peace
Rest in grace
And the tears roll down my face
You took my love and I'm left on my own
You're gone too soon or I'm too late
You know that I can't wait to be with you
I'm counting the days
Rest in grace

Every crash every low
Every high every breakdown
Every minute we shared was a great gift I know now
You'll be with me in everything I do
Forever
I'll remember you
