

Temple Of The Torn

Mono Inc.

This is for all those somber moments.
It's for all those well ignored.
It's for all their lost dimensions
And for those who don't try it no more.

Welcome to the temple of the torn.
(This must be heaven then)
Welcome to the temple of eternal love.
(Just like heaven then)

It's 'bout voices you don't hear yet.
It's 'bout suffering lonesome minds.
But I preach to the converted
As I know you'll be down there tonight.

Welcome to the temple of the torn.
(This must be heaven then)
Welcome to the temple of eternal love.
(Just like heaven then)

Welcome to the temple of the torn.
(This must be heaven then)
Welcome to the temple of eternal love.
(Just like heaven then)
