

# A Love Bizarre

Monrose

The moon up above  
It shines down upon a scene  
Whispering words  
That scream at us, "Wait and see"  
We all want the stuff  
That's found in our wildest dreams  
It gets kinda rough  
In the back of our limousine

Oh (Oh), That's what we are  
We all want a love bizarre  
That's what we are  
We all want a love bizarre

Our strawberry night  
A body that's built for two  
A kiss on the spine  
We do things we never do  
Come, swallow the pride  
And join on the Eiffel tower  
We'll dance on the roof  
Make love on the little house

That's what we are  
We all want a love bizarre  
That's what we are  
We all want a love bizarre

Bizarre, Bizarre (oh)  
Do-ba-do-ba-do (4x)

The moon up above  
It shines down on, on our skin  
Whispering words  
That scream of a wretched sin  
We all want the stuff  
That's found in the wildest dreams  
(wildest dreams, yeah) It gets kinda rough  
In the back of our limousine

That's what we are  
We all want a love bizarre  
That's what we are  
We all want a love bizarre  
That's what we are
