

A Love Bizarre

Monrose

The moon up above
It shines down upon a scene
Whispering words
That scream at us, "Wait and see"
We all want the stuff
That's found in our wildest dreams
It gets kinda rough
In the back of our limousine

Oh (Oh), That's what we are
We all want a love bizarre
That's what we are
We all want a love bizarre

Our strawberry night
A body that's built for two
A kiss on the spine
We do things we never do
Come, swallow the pride
And join on the Eiffel tower
We'll dance on the roof
Make love on the little house

That's what we are
We all want a love bizarre
That's what we are
We all want a love bizarre

Bizarre, Bizarre (oh)
Do-ba-do-ba-do (4x)

The moon up above
It shines down on, on our skin
Whispering words
That scream of a wretched sin
We all want the stuff
That's found in the wildest dreams
(wildest dreams, yeah) It gets kinda rough
In the back of our limousine

That's what we are
We all want a love bizarre
That's what we are
We all want a love bizarre
That's what we are
