

## Even Heaven Cries

Monrose

Ha, ha, ha, haa

There are times when you feel  
That you don't know where you fit in  
So, you hide what is real  
Even when it hurts to pretend  
To be the one that you think  
Everybody wants you to be  
No one sees

The one you really are  
But you don't have to hide your heart  
'Cause nothing needs to change  
Sometimes it might seem hard  
And your whole world falls apart  
Just know that you when you feel that way

Even heaven cries, everybody cries  
It's okay to doubt yourself sometimes  
You don't have to be afraid of what you feel inside  
It's alright 'cause even heaven cries

When you look in the mirror  
And you don't see picture perfect  
What they say breaks your heart  
And makes you feel that you're not worth it  
What if this fear hides in tears  
Still play and make believe  
So no one sees

The one you really are  
But you don't have to hide your heart  
'Cause nothing needs to end every way  
Sometimes it might seem hard  
Your whole world falls apart  
Just know that you when you hear the rain

Even heaven cries everybody cries  
It's okay to doubt yourself sometimes  
You don't have to be afraid  
Of what you feel inside  
It's alright, it's alright

No you're not alone don't be ashamed  
To let your feelings show, you should realize  
You're special, who you are  
In time you're gonna see, you're gonna see

Ha, ha, ha, haa

Don't you realize?

Even heaven cries everybody cries  
It's okay to doubt yourself sometimes  
You don't have to be afraid of what you feel inside  
It's alright, it's alright
