

Everybody Makes Mistakes

Monrose

Here I am once again
Staring at an empty chair
Kidding myself you're there
You can't live in the past
It'll only make you mad
Everybody It'll take all you have

When your heart is like a shadow
Of someone you used to know
And it's time to let it go

Everybody makes mistakes
Everybody gets it wrong sometimes
Tomorrow is another day
You won't feel the same inside
Everybody makes mistakes
Everybody gets it wrong sometimes
And you don't have to have the reason why
Everybody makes mistakes

Why do I make hard
Harder than I needs to be
Nothing ever seems easy
There is no point looking down
Everybody scared of heights
but really fear is just a state of mind

If your hearts like a shadow
Of someone you used to know
maybe try and let it go

Everybody makes mistakes
Everybody gets it wrong sometimes
Tomorrow is another day
You won't feel the same inside
Everybody makes mistakes
Everybody gets it wrong sometimes
And you don't have to have the reason why
Everybody makes mistakes

No one can be what you need all the time
it just dont happen like
things that we say
games that we play
they can tear us all apart

I give my heart

Everybody makes mistakes
Everybody gets it wrong sometimes
Tomorrow is another day
You won't feel the same inside
Everybody makes mistakes
Everybody gets it wrong sometimes
And you don't have to have the reason why
Everybody makes mistakes
