

Shame

Monrose

Our final conversation
It lies heavy on my mind
And although we couldn't say it
I think we know we can't go back this time
Your love and desperation
Is the writing on the wall
And will all the light start flashing?
Or is this the final curtain call?

It's such a shame, it's such a shame (ah)
Don't walk away, don't walk away (ah)
All this time I thought I knew myself
But once again I bury my head in shame

Nothing lasts forever
A flower always dies
I never felt the beauty
Why can't I see through other people's eyes?

It's such a shame, it's such a shame (ah)
Don't walk away, don't walk away (ah)
All this time I thought I knew myself
But once again I bury my head in shame

I paid the price for all mistakes (ah)
And when love ends new life begins (ah)
My independence always nails me to the floor
And it leaves me wanting more
It leaves me wanting more

I've got everything
A girl could ever need
So why do I still feel
Like my life's so incomplete
You made me beautiful
You brought me to my knees
So please don't go
Don't take the missing piece

It's such a shame, it's such a shame (ah)
Don't walk away, don't walk away (ah)
All this time I thought I knew myself
But once again I bury my head in shame

It's such a shame, it's such a shame (ah)
Don't walk away, don't walk away (no, oh) (ah)
All this time I thought I knew myself
But once again (once gain)
I bury my head in shame

In shame
