100 Million Miles

Monster Magnet

Ice girl, she's waiting for me on the second moon If I can blast this crazy loop I'm gonna be there soon Did you hear your mother threw another sucker to the sun? He looks a lot like the good old boys of Apollo One

Mama, Mama tell me I ain't gonna die Maybe baby say you found the astroglide

Hey, there ain't no pay 100 million miles away

Mad god took my girl and made time stand still I used to hate that story freak and now I always will Dead planets ain't no fun, I'm coming in way off time That constellation looks just like my baby's sweet behind
