

You know you're quite a hot topic
You've gotta nothin' in your head
You've got your ass in the back seat
We all agree you're over fed

You're from the suck generation
Like a doggie with a bone
You like your lame fuckin' music
You love a talkin' on your phone

You're stone monolithic, I smell it on your breath
You gotta 'bout nothin' to say
So buy your stupid garbage and love yourself to death
'Til daddy takes your T-Bird away

Oh, that's right

You want a new load of garbage
I'd love to drop it at your door
You're gonna eat it little piggy
You always gotta have some more

You're stone monolithic, I smell it on your breath
You gotta 'bout a nothin' to say
Keep spending all your money and love yourself to death
'Til daddy takes your T-Bird away

Monolithic baby, yeah
Monolithic baby, yeah, yeah, yeah
Monolithic baby, yeah
Monolithic baby

You're stone monolithic, I smell it on your breath
You gotta 'bout nothin' to say
Keep spending all your money and love yourself to death
'Til daddy takes your T-Bird away

You're stone monolithic, I smell it on your breath
You gotta 'bout nothin' to say
Keep spending all your money and love yourself to death
'Til daddy takes your T-Bird away, oh yeah

Monolithic baby, yeah
Monolithic baby, yeah, yeah, yeah
Monolithic baby, yeah
Monolithic baby

Monolithic baby
Monolithic baby
Monolithic baby
Baby, baby, baby, baby
