

# There's No Way Out of Here

Monster Magnet

There's no way out of here  
When you come in, you're in for good  
There was no promise made  
The part you've played, the chance you took  
There are no boundaries set  
The time and yet, you waste it still

So it slips through your hands  
Like grains of sand, you watch it go  
There's no time to be lost  
You'll pay the cost, so get it right  
There's no way out of here  
When you come in, you're in for good

Your life slips through your hands  
Like grains of sand, you watch it go  
There's no time to be lost  
You'll pay the cost if you say no  
There's no way out of here  
When you come in, you're in for good  
You blow your only chance away

There are no answers here  
When you look out you don't see in  
There was no promise made  
The part you've played, the chance you took  
There's no way out of here  
When you come in, you're in for good

Your life slips through your hands  
Like grains of sand, you watch it go  
There's no time to be lost  
You'll pay the cost if you say no  
There's no way out of here  
When you come in, you're in for good  
You blow your only chance away, yeah

There's no way out of here  
When you come in, you're in for good  
There was no promise made  
The part you've played, the chance you took

There's no way out of here  
When you come in, you're in for good  
There's no way out of here  
When you come in, you're in for good  
There's no way out of here  
When you come in, you're in for good

There's no way out of here  
When you come in, you're in for good  
There's no way out
