

For The Sun

Monster Truck

I feel the sun,
it makes me feel alive,
it keeps me warm,
like an honest man lying.
In these lonely days,
she's all that I have,
a constant reminder,
of life moving past.
Time rolls by me like the wind.
and I'll keep flying 'til the end.
I feel the sun,
she gives me what I need,
she don't take a thing,
not one thing from me.
She said she'd never leave me,
she promised she would stay.
now the darkest night,
has taken her away.
