

## Love Attack

## Monster Truck

I can't fake it  
Don't want to fight anymore  
I wanna see just what you look like  
When you're outta those clothes  
I can't wait babe  
Let's get the hell outta here  
I wanna see your love in action

Surrender yourself to my love

Get ready  
I'm moving in for the kill  
I'm gonna get just what I want  
And then I'll fire at will  
I'm not a bad man  
But by no means am I good  
I'm gonna get ya, get you

You can't deny it  
It's all over your face  
I see you moving in that chair girl  
You can't even sit straight  
I'm on a mission  
You're gonna see all I got  
And girl you won't be disappointed

Surrender yourself to my love
