

# Falling

Montell Jordan

Falling for you  
And I just can't help myself  
Baby I'm falling  
Falling for you  
And I just can't help myself  
Baby I'm falling

Thirty days since our first kiss  
Sit alone reminisce  
What you said last night just took me by surprise  
How you said you're not gonna cry no more  
You're waiting to exhale  
Having feelings that you're falling  
Woman I've already fell

Contemplating what to do  
Falling faster over you  
But my heart and pride are out there on the line  
I dial your number on the phone  
A steady ringing your not home  
If you're listening to this message  
Girl I'm calling cuz I'm falling for you

Falling for you  
And I just can't help myself  
Baby I'm falling  
(Can't believe I'm falling)  
Falling for you  
(Do you feel the same way too)  
And I just can't help myself  
Baby I'm falling

Falling for you  
And I just can't help myself  
Baby I'm falling for you  
Falling for you  
And I just can't help myself  
Baby I'm falling for you

Falling for you  
(yes I am, yes I am)  
And I just can't help myself  
(can't help myself)  
Baby I'm falling  
(Oh I, oh I)  
Falling for you  
And I just can't help myself  
(Falling baby)  
Baby I'm falling  
(Falling baby)

I can't help myself  
Seems I keep on falling  
No, no I just can't help myself  
Seems I keep on falling  
No just can't help myself  
Seems like I keep on falling

Yeah, help me  
Won't you help me sugar  
(I'm falling)
