Falling

Montell Jordan

Falling for you And I just can't help myself Baby I'm falling Falling for you And I just can't help myself Baby I'm falling Thirty days since our first kiss Sit alone reminisce What you said last night just took me by surprise How you said you're not gonna cry no more You're waiting to exhale Having feelings that you're falling Woman I've already fell Contemplating what to do Falling faster over you But my heart and pride are out there on the line I dial your number on the phone A steady ringing your not home If you're listening to this message Girl I'm calling cuz I'm falling for you Falling for you And I just can't help myself Baby I'm falling (Can't believe I'm falling)

Falling for you (Do you feel the same way too) And I just can't help myself Baby I'm falling

Falling for you And I just can't help myself Baby I'm falling for you Falling for you And I just can't help myself Baby I'm falling for you

Falling for you
(yes I am, yes I am)
And I just can't help myself
(can't help myself)
Baby I'm falling
(Oh I, oh I)
Falling for you
And I just can't help myself
(Falling baby)
Baby I'm falling
(Falling baby)

I can't help myself Seems I keep on falling No, no I just can't help myself Seems I keep on falling No just can't help myself Seems like I keep on falling Yeah, help me Won't you help me sugar (I'm falling)
