

## I Say Yes[interlude]

Montell Jordan

Ah, thank you Jesus  
You know, I want to take just a moment and speak to you  
I don't know who you are  
Or where you are  
What's going on in your life  
I do know that sometimes circumstances  
And situations come against us  
We ask, "Where is God?"  
And, "Is there anybody who can help us?"  
I want you to know that God is not very far from you  
Whoever you are, wherever you've been  
Whatever you've done  
He's right there  
As close as the breath you just drew  
As close as the fingers on the end of your hand  
God is right there  
He's everywhere  
But you know, He only comes where He's invited  
And when you need His help  
All you've got to do is open your mouth and call out to Him  
Just tell him yes  
It's that easy, it's that simple  
All of the work for Him to come into your life has already been  
done  
All you've got to do is just tell Him "Yes"
