

# Let Me Be The One (Come Runnin')

Montell Jordan

Let me be the one you come running to  
Be the one you come running  
Be the one you come running to  
Let me be the one you come running to  
Be the one you come running  
Be the one you come running to

Don't cry lady, dry your eyes  
You know I want to be the one  
To make you feel alright  
If you will let me do what I wanna do  
Then I will be the one  
The one that you come running to

Now wasn't I that special guy  
That you could rely on  
A shoulder to cry on  
If you would give me the opportunity  
I'll show you what I'll do  
I'll be the one that you come running to

When your troubles seem to get you down  
Before you can even call me  
You know I'm gonna be around  
Pick up the pieces of your broken heart  
I'll fix it for you, because I'm the one that you come running  
to

Now wasn't I your special guy  
That you could rely on  
Your shoulder to cry on  
If you just give me the opportunity  
I'll show you what I'll do  
When you come running, running, running to me  
When you come running to me
