Mine, Mine, Mine

Montell Jordan

Hey baby I like it when you're next to me With that body horizontally Your pretty legs comfortable in my bed In your lingerie with my pillow under your head And honey I like you cuz you trust in me Just so glad to have you on my team So I'll keep it real with you Girl I'm feelin' you, layin' here - Layin' next to you at night Kissin' and holdin' you tight All of these things I like Girl you are mine, mine, mine You got a lot of sex appeal I love the way you make me feel And what I feel is real Girl you're one of a kind Hey lady You know just how to treat your man So I will always be your biggest fan I'll tell it all over the world, you're my closest friend Much more than my girl, would ya Stay with me and you just might see Some kind of jewelry That I know you've been waiting on Baby you're the reason all my other girls are gone What we share is so beautiful And I think I might just spend my life waking up next to you Yo (all of these things I like)

Turn around girl, oh (mine, mine, mine) Layin' next to you (got a lot of sex appeal) Just feels so right shorty I like that (mine, mine, mine)
