

# Not No More

Montell Jordan

Can't, I can't babe  
Why don't we just leave it alone  
And go our separate ways?  
For some reason we don't get along  
I miss those yesterdays

I don't know why I love you so  
Trying so hard not to let you go  
Every time I say go  
I walk back through the door

I can't live like this anymore  
No broken promises anymore  
I won't even wish anymore  
Not no more, not no more

You say you're walking out the door  
You confuse me every time  
I wish you just stick to it  
Stop playing with my mind

Let me go on with my life  
'Cause all we do is fuss and fight  
And then make up like it's alright  
But baby, not tonight

I can't live like this anymore  
No broken promises anymore  
I won't even wish anymore  
Not no more, not no more

No, no, no, no, no, no, no

We can't live like this  
We break and then we make up  
It's like we can't resist

See every time I walk away  
I walk back in your life  
When we say that that we're leaving  
Don't believe it, why we can't decide?

I can't live like this anymore  
No broken promises anymore  
I won't even wish anymore  
Not no more, not no more

Hold on, hold on baby  
If you let go then I'll let go  
We can't live like this anymore  
If you let go then I'll let go  
We can't live like this anymore

You let go and I'll let go  
We can't live like this anymore  
You let go and I'll let go  
We can't live like this anymore

If you let go then I'll let go  
We can't live like this anymore  
If you let go then I'll let go  
Can't live like this anymore  
If you let go then I'll let go  
We can't live like this anymore

Not no more, not no more
