

Shake Heaven

Montell Jordan

What's it gonna look like, what's it gonna be like
What's it gonna sound like, I wanna know
We're on a mission to get God's attention,
Heaven is a listenin ', so here we go

The angels all around are crying holy, holy, holy
Praising with a sound That Gives him glory, glory, glory
Are you ready now, get ready now I'm ready
Let's all shout it out, start shouting now!

Gonna shake heaven, gonna shake heaven
Join in together, join in together
This is how we do it, this is how we do it
We're taking back the music, taking back the music

And all the angels say
Oooh oh, oh, oh, oh, hey, hey, hey, hey
Oooh oh, oh, oh, oh, hey, hey, hey, hey

Everybody stand up, go on put your hands up
Recognize the God of Power and Might
His love's so amazing, He loves me like crazy
And now I'm walking in His marvelous life

The angels all around, are crying holy, holy, holy
Praising with a sound That Gives Him glory, glory, glory
Are you ready now, get ready now I'm ready [4x]
Let's go shout it out, start shouting out

Gonna shake heaven, gonna shake heaven
Joining together, joining together
This is how we do it, this is how we do it
We're taking back the music, taking back the music

Gonna shake heaven, gonna shake heaven
Join in together, join in together
This is how we do it, this is how we do it
We're taking back the music

And all the angels say
Oooh oh, oh, oh, oh, hey, hey, hey, hey (C'mon now)
Oooh oh, oh, oh, oh, hey, hey, hey, hey

Lift high the Name above all Names, Jesus
We can live today Because His grace freed us
(Glory, honor and power forever and forever Lord)

Gonna shake heaven, gonna shake heaven
Join in together, join in together
This is how we do it, this is how we do it
We're taking back the music, taking back the music

And all the angels say
Oooh oh, oh, oh, oh, hey, hey, hey, hey
Oooh oh, oh, oh, oh, hey, hey, hey, hey
