The One

Montell Jordan

So what ya'll wanna do? I got a feeling that today is gonna be a good day To tell the world about the one who came and gave his stuff away The may

There's no way we can thank You enough For the brand new life You've given to us Some pleasure like crazy for all that You've done You're second to none Oh God saw the one

You're so amazing, I love You like crazy Cause You are the one worth living for There's no one above You, that's why I love You Cause You are the one worth living for

I got a feeling that today is gonna be a good day To show the world the only one who turned Your darkness into light That's right

There's no way we can thank You enough For the brand new life You've given to us Some pleasure like crazy for all that You've done You're second to none Oh God saw the one

You're so amazing, I love You like crazy Cause You are the one worth living for There's no one above You, that's why I love You Cause You are the one worth living for

You're so amazing, I love You like crazy Cause You are the one worth living for There's no one above You, that's why I love You Cause You are the one worth living for

Wonderful, powerful, marvelous, You With honor in moment we sing of the new Wonderful, powerful, marvelous, You With honor in moment we sing of the new

We're by our loved ones, our daughters If it can't be all together, get my life and You amaze me, we praise thee When You came in here You saved my soul and raised me

(Wonderful, powerful, marvelous, You With honor in moment we sing of the new Wonderful, powerful, marvelous, You With honor in moment we sing of the new)

My God is so amazing He got the kind of love that drive me crazy The God that I serve You don't have to guess I got a batman symbol across my chest And that's been yo so You know Mi padre is fuego, si, numero uno Vid's up and me, Martha Munizzi Serving the one, that's how we gets busy

You're so amazing, I love You like crazy Cause You are the one worth living for There's no one above You, that's why I love You Cause You are the one worth living for
