

# The You In Me

Montell Jordan

I know I've spent my whole life running from you  
Even though there's been some things you needed me to do  
I did it my way and hurt you over and over again  
But you were preparing me  
To carry out your plan  
Though you said that you'd walk with me, some won't believe  
Cause the messenger you chose sings R&B  
So the man that you rescued me from is the man that they still  
And I don't know what to say  
I need you to speak for me

So Lord, this is my prayer  
Your "work in progress" humbly asks of thee  
Once your promise is fulfilled, the world will be watching anxiously  
Lord help someone to see, the YOU in ME  
Lord help just one to see, the YOU in ME

Someone listening right now needs to hear this tonight  
Cause you're lonely and there's an emptiness you're trying to fill in your life  
Well I guarantee that my God can do it, yes He can  
His name is JESUS  
You've got to let him in, and say

Lord, this is my prayer  
Your "work in progress" humbly asks of thee (of thee, of thee)  
When your promise has been fulfilled  
And the whole world is watching anxiously  
Lord help someone to see, the YOU in ME (Oh Lord)  
Just help one to see, the YOU in ME (Please Jesus)  
If only one could see, the YOU in ME

I want to speak to you right now  
In the midst of your struggles, in the midst of your pain, in the midst of your  
confusion  
You wonder, "why am I here?" Glad you asked that questions  
God said, You're set apart for a special work, for His glory  
That others will see you, but not see you and see HIM  
Oh you need to hear this; you need to hear this because  
You've been listening to the wrong people  
He ordained you, and you don't need anyone else's approval  
You've come fully equipped to do what God ordained you to do  
You existed with God, even before you were formed in your mother's womb  
God knew you  
It is amazing  
You've tried everybody and everything  
Jesus says, "stop fighting God" stop fighting  
He's knocking at your heart, saying, "let me in"  
You're so special  
Let the glory of the Lord come through you, in the midst of all your confusion  
He loves you

Lord, Lord my, my, my, my prayer  
I'm just a work in progress, but  
I'm asking you, I'm begging you...

When you're promise has been fulfilled, and the world is watching anxiously  
Come on and help someone, Oh Lord  
I don't want nobody to see Montell, if they can't see you  
I'm talking to somebody, can I get a witness  
You gotta see past the man, in order to see the You in me
