

What's It Feel Like? (Is It Good?)

Montell Jordan

Let me know
How it feels
When I'm inside of you
Every time I hear you say my name
Scream and moan
I know we're getting closer to
The moment that we

Can't stop ('cause it's getting)
Too hot (all the freaky things you)
Say to me
Show me you like it (tell me)

What's it feel like
When I'm sexin' you (tell me baby)
When I'm inside
Is it good to you

When I'm touchin' you
Tasting you
And doing all the things you like
I'll drop down and I'll kiss your thighs
And satisfy
(To) I'll take your body there tonite
To the moment when

Can't stop ('cause it's getting)
Too hot (all the freaky things you)
Say to me
Show me you like it (tell me)

What's it feel like
When I'm sexin' you (tell me baby)
When I'm inside
Is it good to you

What's it feel like
When I'm sexin' you (tell me baby)
When I'm inside
Is it good to you

Is it good (it's so good to me)
Good to you (it's so good to me)
Let me know (I'll tell you what it feels like)
Is it good
Is it good

What's it feel like
When I'm sexin' you (tell me baby)
When I'm inside
Is it good to you

What's it feel like
When I'm sexin' you (tell me baby)
When I'm inside
Is it good to you
