

# Yes

Montell Jordan

This song goes out to anyone out there  
Who has been fighting temptation?

The ice was so thin  
Where I was skating  
I heard you calling me and  
I kept procrastinating  
Does anybody out there  
Know what I'm saying  
Do you hear God's voice?  
And keep him waiting

When everything  
I ever needed  
I can't believe that  
You provided, the moment I said

Yes, that's what you said  
That's what you told me  
You called my name  
I said yes  
Yes to your will  
You know what's best for me  
All of my life I'll say yes

It was me, myself and I  
And I admit it  
But the truth is  
Without you Lord  
I can forget it  
I'm so thankful (thankful)  
For the love you gave me (you gave me)  
Guess I'll never know (never know)  
Why you forgave me

When everything  
I ever needed

I can't believe that  
You provided, the moment I said

Yes yes yes  
Yes (don't know what to do)  
Yes (I give it all to you)  
Yes
