

You Are

Montell Jordan

You are
A best friend sharing secrets
Whispering in my ear
That's what You are
You are
The peace that lies within me
Telling me have no fear
That's what You are

You are (You are)
The morning sunlight on my pillow
(You are)
A gentle kiss upon my face
(You are)
The melody when there's no music
Yeah yeah
That's what You are

I wanna know, I wanna know what love is
So I'll keep trying to describe what it feels like
To walk and talk and live just like Christ
You're the only one who can save my life
I am Yours and God, You are mine
I see love in everything You do
You are love and love is You

You are
The brightest star that's shining
In the brightest night
That's what You are
You are
An undercover angel
Standing by my side
That's what You are

(You are)
Arms that hold me when I'm lonely
(You are)
A child's smile on Christmas day
(You are)
Everything that's good in this world
Jesus, that's what You are

Oh, I wanna know, I wanna know what love is
So I'll keep trying to describe what it feels like
To walk and talk and live just like Christ
You're the only one who can save my life
I am Yours and God, You are mine
I see love in everything You do
You are love and love is You

I wanna know, I wanna know what love is
So I'll keep trying to describe what it feels like
To walk and talk and live just like Christ
You're the only one who can save my life
I am Yours and God, You are mine
I see love in everything You do

You are love and love is You
(Love is You)

Jesus, yeah

I wanna know, I wanna know what love is
So I'll keep trying to describe what it feels like
To walk and talk and live just like Christ

I wanna know, I wanna know what love is
So I'll keep trying to describe what it feels like
To walk and talk and live just like Christ
You're the only one who can save my life
I am Yours and God, You are mine
I see love in everything You do
You are love and love, love, love, love is You

You're the brightest star (That's what You are)
That's what You are
You're the past part (That's what You are)
You're the whisper
Oh, You're the whisper in my ear (That's what You are)
Holy Spirit come near (That's what You are)
Jesus, You're the brightest star, that's what You are
Jesus, that's what You are
