

# God Knows Who I Am

Montgomery Gentry

I'm a total stranger to a three piece suit  
I'm more kin to jeans and boots  
I'm a hard days work to an aching back  
I'm a promise to a callous to both these hands  
I wear a lot of hats

I'm a walk in the park to an irish setter  
A stamp of approval writing mama a letter  
Weekend coach from my quarterback chair  
My faith hangs on this cross I wear

I'm a lot of things to a lot of things  
Not always a winner, a loser I ain't  
I'm a full time sinner, a part saint  
And I ain't afraid of fear, if it makes me a better man  
God knows who I am

I'm a husband, a brother, a father, a son  
A slap on the back, a handshake a hug  
I'm a safe place to land when she needs a shoulder  
And I'm all arms when she wants me to hold her

I'm a lot of things to a lot of things  
Not always a winner, a loser I ain't  
I'm a full time sinner, a part saint  
And I ain't afraid of fear, if it makes me a better man  
God knows who I am

I try to start and end everyday  
Making a little time to pray  
One on one with the man  
Cause from my knees I know where I stand  
And I thank God  
God knows who I am

I'm a lot of things to a lot of things  
Not always a winner, a loser I ain't  
I'm a full time sinner, a part saint  
And I ain't afraid of fear, if it makes me a better man  
God knows who I am
