

It's All Good

Montgomery Gentry

Lazy summer sundown
Front porch of this old house
Lighting bugs in a mason jar
There's a four-lane coming through
They break ground at the end of June
The county's taking half my yard
It don't matter too much anyway
In the scheme of things I still get more than I should

It's all good, it's alright
Lord it's always a good day
When you're glad to be alive
Everything I need ain't too hard to find
So I don't waste my time complaining
Cuz I don't see how I could
It's all good

Another bill in the box today
New boat's gonna have to wait
Our pick-up truck just broke down
Grass needs mowing
I hear the plant's closing
But it won't be the end of this town
Folks 'round here see things in a different way
And that'll never change
There's one thing that's understood

It's all good, it's alright
Lord it's always a good day
When you're glad to be alive
Everything I need ain't too hard to find
So I don't waste my time complaining
Cuz I don't see how I could
It's all good

It's all good, it's alright
Lord it's always a good day
When you're glad to be alive
Everything I need ain't too hard to find
So I don't waste my time complaining
Cuz I don't see how I could
It's all good
It's all good
I don't waste my time complaining
It's all good
