

# Why Do I Feel Like Running

Montgomery Gentry

When I was just a little baby  
My mama held my hand  
Tried to hold me steady all she could  
But I pulled just like a full-grown man  
Now mama was a real fine woman  
Only angel I've ever known  
Guess I must have turned out more like my daddy  
A chip off the rollin' stone

Sometimes I wake up sweatin'  
Yeah, eyes open wide  
I feel like a freight train comin'  
I wish I knew the reason why  
Why do I feel like running

I love the life I'm livin'  
I've made myself a happy home  
I've got a woman who's in love with a man  
But she's worried about my gypsy bone

Sometimes I wake up sweatin'  
Yeah, eyes open wide  
I feel like a freight train comin'  
I wish I knew the reason why  
Why do I feel like running

I tell her I ain't never leavin'  
I only travel with my mind  
A part of her knows that I'm in it for the long haul  
But part of her knows I'm lyin'

Sometimes I wake up sweatin'  
Yeah, eyes open wide  
I feel like a freight train comin'  
I wish I knew the reason why  
Why do I feel like running

Why do I feel like running  
Why do I feel like running  
Why do I feel like running  
Why do I feel like running  
Yeah  
I guess it's just my daddy's blood  
That's right
