

Dancin' Feet

Montrose

Everybody's laughin 'bout
how my feet keep stuff movin round
I just cant keep my feet
on the ground

Kick off my shoes
I don't want to stop
And go all night
'Till the sun goes up

Dancin feet
I wouldn't stop them if I could
Dancin feet
I wouldn't stop them if I could

Visit any
country town
For rockin roll dance
No no

Jump to the city
Leave your penthouse too
And find a little girl
Who will dance with you

Dancin feet
I wouldn't stop them if I could
Dancin feet
I wouldn't stop them if I could
No

On the coast
Sinkin in the sand
To the mid west states
Go'in hand in hand
Oh It's a million dollar fare
It's not so hard to understand

Dancin feet
I wouldn't stop them if I could
Dancin feet
I wouldn't stop them even if I could
No ohoho

Come on baby

Pretty baby
Pretty baby
Oh

Lets Light a match
Hit the floor
