

Rock Candy

Montrose

Lord! Oh, yeah.
When you need a friend
through thick and thin
Don't look to those above you.
When you're down and out,
ain't no doubt
Nobody wants you.

But you're rock candy baby
Hard, sweet and sticky.
Rock candy baby
Hard, sweet and sticky.

When you're seventeen
reachin' for your dreams
Don't let no one reach it for you.
Pull up your pants,
Stretch out take a chance.
If it can be done, you can do it.

Cuz you're rock candy baby
You're hard, sweet and sticky.
Cuz you're Rock candy baby
So hard, sweet and sticky.

Sweet
So sticky

You're rock candy baby
Hard, sweet and sticky.
Yes you're Rock candy baby
Hard, sweet and sticky.
