

Between the Sheets

Monty Are I

I'm so scared; cause along with this infection i will fear rejection

She is all I ever wanted, and I'm not the one the only one

Through sheets you will teach and I will learn

I've always wanted you to know

Don't care even if these sheets did burn

I'm scared, full of fear, but aware and so, you need to know

I don't wanna be your lover, I just wanna be myself

You can hide between the covers, and taste the bitterness you've given to me

I don't wanna be your lover, I just wanna be myself

Why can't we just be together, and say this is how we wanted to be?

I can't stand since th birth of this inception we've been deemed a collection

You don't have to go on girl, cause I can feed your appetite

Why can't you conceive this?

All she's got, is all I need

All that she wants and all that she needs, she can't give to me

All that she wants and all that she needs

You can't taste these lips for free

I don't wanna be your lover, I just wanna be myself

You can hide between the covers, and taste the bitterness you've given to me

I don't wanna be your lover, I just wanna be myself

Why can't we just be together, and say this is how we wanted to be?

Cause i'm sick of being placed right on the shelf
