## Walk On By

## Moodorama

Up and down
The weather's high - I smile
High and low
The seabirds fly into the sky

Your sweet words
Sound like music in the air
Play on my heart
Cruise my mind are everywhere

O amor em paz, brasileirinho, brasileirinho

Up and down
The weather's high - I smile
High and low
The seabirds fly into the sky
All day long
Nothing to do - Just hang around
At your side
The fishes smile and kiss the ground

O amor em paz, brasileirinho, brasileirinho

So clear the sky so sweet and warm Your quiet moves treat for the eyes Walk on by
