

Pass the Ammo

Moonshine Bandits

There's a storm on the horizon and
My adrenalines running wild
But I got my brothers standing next to me

So praise the lord and
Pass the ammo
Stars Stripes and Camo
There's a price to be paid
To stay free

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride

Laid up in this bunker
Rosary on my neck
I do this for my family and
The colors I respect
They forgotten those cowards took the towers down
You can bet I ain't gonna hesitate to put em in the ground
Clutching on my rifle
Ammo by my side
Clutching on my bible
I do it for my pride
I'm trained to be fearless
I fear the unknown
Give my love to my family and
I'll see them when I'm home

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride

Proud of my county
Its the land of the free
Your enemies my enemies
Together we bleed
Your sister
Your brother your cousin whatever
Your families
My family in the trenches together

Pistol by my side with my rosary beads
Bible by my ammo man I hope He is watching me
Overseas overnight if I die I know its right
Freedom ain't free
Pass the ammo
Let's ride

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride

Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and
Do it for my pride
