

She's Crazy

Moonshine Bandits

Get a little whiskey in her
And she goes a little crazy
I'd be lyin' if I said I didn't love it

She's hard shot slammin'
Then she's bar top dancin'
And I just can't get enough of it

She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
She's crazy and I love it

She's the kinda girl I'm takin' drinkin' on the weekend
Seeing Journey dive bar, don't stop believin'
Bloody Marys in the mornin'
Football Sunday
Both know we're hurtin' when we're workin' on a Monday
Love those family ties to her small town roots
She's got a lotta pride in those cowgirl boots
Dancin' on the tabletops
I love it how she moves
She's my kinda girl cause she loves to get it loose

Get a little whiskey in her
And she goes a little crazy
I'd be lyin' if I said I didn't love it

She's hard shot slammin'
Then she's bar top dancin'
An I just can't get enough of it

She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
She's crazy and I love it

Love it how she mixes with the straight shot whiskey
Shotgun ridin' in my Ford 350
Listens to some rock but she loves to bump country
Loves drinkin' whiskey but she hates drinkin' bubbly
Pinky finger down put her middle finger up
Once she slams one down she'll be fillin' up a cup
Same ole truck that the farm boys drive
Cause a country girl can survive

Get a little whiskey in her
And she goes a little crazy
An I'd be lyin' if I said I didn't love it

She's hard shot slammin'
Then she's bar top dancin'
And I just can't get enough of it

Get a little whiskey in her
And she goes a little crazy
An I'd be lyin' if I said I didn't love it

She's hard shot slammin'
Then she's bar top dancin'
And I just can't get enough of it

She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
She's crazy and I love it
