

Step

Moonshine Bandits

There's a storm on the horizon
And my adrenaline's running wild
But I got my brothers standing next to me
So praise the lord and pass the ammo
Stars, stripes and camo
There's a price to be paid
To stay free

Pass me the ammo, ain't afraid to fight
Pass me the ammo, ain't afraid to cry
Pass me the ammo, ain't afraid to die
I do it for my family and do it for my pride
Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and do it for my pride

Laid up in this bunker rosary on my neck
I do this for my family and the colors I respect
They forgotten that those cowards took the towers down
You can bet I ain't gonna hesitate to put 'em in the ground
Clutching on my rifle, ammo by my side
Clutching on my bible, I do it for my pride
I'm trained to be fearless I fear the unknown
Give my love to my family and I'll see 'em when I'm home

Pass me the ammo, ain't afraid to fight
Pass me the ammo, ain't afraid to cry
Pass me the ammo, ain't afraid to die
I do it for my family and do it for my pride
Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and do it for my pride

Proud of my county, it's the land of the free
Your enemies, my enemies, together we bleed
Your sister, your brother, your cousin, whatever
Your family's my family in the trenches together
Pistol by my side with my rosary beads
Bible by my ammo man I hope hes watching me
Overseas overnight if I die I know its right
Freedom ain't free, pass the ammo, let's ride

Pass me the ammo, ain't afraid to fight
Pass me the ammo, ain't afraid to cry
Pass me the ammo, ain't afraid to die
I do it for my family and do it for my pride
Pass me the ammo ain't afraid to fight
Pass me the ammo ain't afraid to cry
Pass me the ammo ain't afraid to die
I do it for my family and do it for my pride
