

Why can't give her his love,  
No more...again...  
Tears on her face, and the dove...  
She cries...she knows...  
She won't be able to fly, away from him;  
She looks at red roses in spring,  
No..., she won't be able to sing  
A song of love...

I'll open up my heart, i'll be lovin' you  
Forever and ever...  
I'll be a part of you, in the way i do  
Come into my life, so i can see...

And then she questions the sun;  
Oh...why...why me?  
The sun doesn't answer...oh god...  
Can you help me?  
The answer is easy...my love...  
You've built your own jail.  
You've always been part of the sky...  
So why you keep staying by his side...  
Away from me?

I'll open up my heart, i'll be lovin' you  
Forever and ever...  
I'll be a part of you, in the way i do  
Come into my life, so i can see...

She's a white dove, an angel in disguise...  
She fell, in love with a man  
But this man won't give back her love  
...so this is her cry

I'll open up my heart, i'll be lovin' you  
Forever and ever...  
I'll be a part of you, in the way i do  
Come into my life, so i can see...
