

fill me up inside

Morandi

Uhhh-Uhhh ...I miss you...
Uhhh-Uhhh ...I miss you...

How could I give you my love
My love in my touch
How could you leave me alone
I miss you so much, so much...

Feel me up inside
I got so much to give you.
Feel me up inside
Don't you know that I need you.
Ohh-Ohh! Feel me up inside.

How could I give you my love
My love in my touch
How could you leave me alone
I miss you so much, so much...

How could I give you my love
My love in my touch
How could you leave me alone
I miss you so much, so much...

Feel me up inside
I got so much to give you.
Feel me up inside
Don't you know that I need you.
Ohh-Ohh! Feel me up inside.

Feel me up inside
I got so much to give you.
Feel me up inside
Don't you know that I need you.
