

Into the blue

Morandi

Your heart is always blue
Cause I'm feeling my passion
Feeling my passion...
Loving you, my baby

My heart is always blue
Lovin' you, my baby
My heart is always blue
Cause your memory drives me crazy

Your heart is always blue
Cause I'm feeling my passion
Feeling my passion...
Loving you, my baby

Your heart is always blue
Cause I'm feeling my passion
Feeling my passion...
Loving you, my baby

My heart is always blue
Lovin' you, my baby
My heart is always blue
Cause your memory drives me crazy

My heart is always blue
Lovin' you, my baby
My heart is always blue
Cause your memory drives me crazy

Your heart is always blue
Cause I'm feeling my passion
Feeling my passion...
Loving you, my baby
