

## Into the blue

Morandi

Your heart is always blue  
Cause I'm feeling my passion  
Feeling my passion...  
Loving you, my baby

My heart is always blue  
Lovin' you, my baby  
My heart is always blue  
Cause your memory drives me crazy

Your heart is always blue  
Cause I'm feeling my passion  
Feeling my passion...  
Loving you, my baby

Your heart is always blue  
Cause I'm feeling my passion

Loving you, my baby

My heart is always blue  
Lovin' you, my baby  
My heart is always blue
