

Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As I'm walking in my dreams  
Threw these mind fields  
Threw these mind fields...

Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As I'm walking in my dreams  
Threw these mind fields  
Threw these mind fields...

Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As I'm walking in my dreams  
Threw these mind fields
