Morandi

Shades of purple, shades of gray
Shades of everything I say
Not as ugly as it seems
As I'm walking in my dreams
Threw these mind fields
Threw these mind fields...

Shades of purple, shades of gray
Shades of everything I say
Not as ugly as it seems
As I'm walking in my dreams
Threw these mind fields
Threw these mind fields...

Shades of purple, shades of gray
Shades of everything I say
Not as ugly as it seems
As I'm walking in my dreams
Threw these mind fields
