

Rock'N Roll My Baby

Morandi

Let the motherfucker burn...Hit me!
Let the motherfucker burn...Hit me!

Rock and roll my baby
Ohh ohh, bring it on the floor!
We don't need no water
Ohh ohh, let the fire burn.

Rock and roll my baby
Ohh ohh, bring it on the floor!
We don't need no water
Ohh ohh, let the fire burn.

Burn, let the fire burn, let the fire burn, let the fire burn
Let the motherfucker burn
Let the fire burn, let the fire burn, let the fire burn
Let the motherfucker burn...

This song is gonna start rebellion,
'cause rock and roll is gonna fill up the stadium.
This song is gonna burn like fire
Everybody's gotta sing with desire.

Damn everybody get it on let's get it on.
Rock and roll my baby ready to burn.
Dance everybody, clap your hands and move your feet
Let's get crazy hit me hard with a beat!

Rock and roll my baby
Ohh ohh, bring it on the floor!
We don't need no water
Ohh ohh, let the fire burn.

Let the motherfucker burn...

Damn everybody get it on let's get it on.
Rock and roll my baby ready to burn.
Dance everybody, clap your hands and move your feet
Let's get crazy hit me hard with a beat!

Rock and roll my baby
Ohh ohh, bring it on the floor!
We don't need no water
Ohh ohh, let the fire burn.
