

Serenada

Morandi

She makes my heart go la la la la
La la la la la la la la
La la la la la la la la
La la
La la la la la la la
She makes my heart go...

Baby's dancin' like
She's a carnival
She rings my bell like
(Like a picky tongue)
Let's do it right now
Let's do it like in Río (in Rio in Rio in Rio)

Her body's movin' like
She's about to break
'Cause of that she's wavin' like a snake
She's all over me
Shakin' it like in Río (in Río in Río)

She makes my heart go la la la
La la la la la la la la
La la la la la la la la
La la
La la la la la la
(in Río in Río in Río)

She makes my heart go la la la
La la la la la la la la
La la la la la la la la
La la
La la la la la la
(in Río in Río in Río)

They call her Miss Brown
I don't know what they mean
But she turns me on
Like a sex machine
I love that body
She says she's from Miami (Miami)
So yammy (so yammy)

She says Welcome to my San Patrón
And the drum's tick-tin' Pa Ram Pa Pam
I blinked one time - the clothes were gone
I blinked two times - the game is on
She says: Let's do it right now
Let's do it like in Río (in Rio in Rio in Rio)

Play her summer and she goes bananas
She wants to be the thing of a la das bayanas
These girls are killin'
Mira
She raise my flag like porta bandeira
She's all over me
Shakin' it like in Río (in Rio in Rio in Rio)

She makes my heart go la la la
La la la la la la la la
La la la la la la la la
La la
La la la la la la la
(in Río in Río)

She makes my heart go la la la
La la la la la la la la
La la la la la la la la
La la
La la la la la la la
(in Río in Río in Río)
