Enjoy the Ride

Morcheeba

Shut the gates and sunset After that you can't get out You can see the bigger picture Find out what it's all about You're open to the skyline You won't want to go back home In a garden full of angels You will never be alone

But oh the road is long The stones that you are walking on Have gone

With the moonlight to guide you Feel the joy of being alive The day that you stop running Is the day that you arrive

And the night that you got locked in Was the time to decide Stop chasing shadows Just enjoy the ride

If you close the door to your house Don't let anybody in It's a room that's full of nothing All that underneath your skin Face against the window You can't watch it fade to grey And you'll never catch the fickle wind If you choose to stay

But oh the road is long The stones that you are walking on Have gone

With the moonlight to guide you Feel the joy of being alive The day that you stop running Is the day that you arrive

And the night that you got locked in Was the time to decide Stop chasing shadows Just enjoy the ride

Stop chasing shadows Just enjoy the ride
