

## Crying Out

Morgan Heritage

Oh yes, the youths dem wailing  
And them crying

We heard the voices crying out  
In the valley asking for help  
And we're their only hope  
So we're here sending a message

How many times do we have to see  
Our brothers die in street  
From a bullet by another brother  
Trying to find food to eat  
Just to survive we've gotta be enemies  
That is how we get defeat  
So that's why we're delivering this message  
To every leader in the world

How many times should we hear the voice  
Of mothers cry and weep  
Because they can't assist  
The needs of their own youths in the community  
Our people cry and ask for help  
Still you don't care about their needs  
I hope to see a change some day  
This is to every leader in the world

Wa yoy, wa yoy, wa yoy, wa yoy  
Their wailing, their wailing  
Wa yoy, wa yoy, wa yoy, wa yoy  
Their wailing, their wailing  
The people are wailing
