Morgan Heritage

Ooh Jah Jah Jah Jah Jah Oh I know you've got your hand on me

Yeah

Everyday I've got Jah work on my mind,
And when I get weary Jah fill I with peace of mind.

Everyday I've got Jah work on my mind,
And when I get weary Jah fill I with peace of mind.

Cos I got a work to do,
Work Jah choose I to do

Cos I got a work to do,
Work Jah choose I to do
Listen good.

And when I get weary Jah fill I with peace of mind.
Cos I got a work to do,
Work Jah choose I to do

I got a work to do, work Jah choose I to do. Listen good.

Jah lead I way, guiding I step by step,
From all the perils that roam the heights and depths.

Jah lead I way, guiding I step by step,
From all the perils that roam the heights and depths.
