

Back To Life

Morgan Page

You could bring me back to life

Your eyes are closed for too long
It's time for something new
Receiving something different
Blinds you from the truth
Feeling disconnected
Waiting to believe
And truth you always ran from
You need it to release

Bring me back to life
You could bring me back to life
Bring me back to life
You don't have to say goodbye
Bring me back to life
You could bring me back to life
Bring me back to life
You don't have to say goodbye

As we close the chapter
It's a new beginning
Life is changing colors
In a world deceiving
If only we remember
All the tears we've cried
Breaking down resistance
Oh bring me back to life

Bring me back to life
You could bring me back to life
Bring me back to life
You don't have to say goodbye
Bring me back to life
You could bring me back to life
Bring me back to life
You don't have to say goodbye

It's time now you see me
In a different light
No questions left unanswered
The truth can't be denied

You could bring me back to life
You could bring me back to life

You don't have to say goodbye
Bring me back to life

You could bring me back to life
Back to life
You don't have to say goodbye
Bring me back to life
You could bring me back to life
Bring me back to life
You don't have to say goodbye

It's a new beginning
