

# Forgotten Days

Morgoth

There's no way out of here our way is blocked  
Looks like we took the wrong way  
But don't say anything, I know my friend it's not our fault  
There's little we can do about it

What have we done  
Why are we stuck in here  
Why can't we move  
I remember the nights when we danced under clean skies around the fire

But then the flames grew high and reached our innocence  
We're burned out from the inside  
We followed different traces, lost our youth in separate places  
And gave our hearts a shelter  
What have we done  
Why are we stuck in here  
Why can't we move  
I remember the nights when we danced under clear skies...

Forgotten days  
In these forgotten days  
Forgotten days  
In these forgotten days

Back then we couldn't fail, we felt so secure  
And we got all the answers  
But don't say anything I know my friend it's not our fault  
There's nothing we can do about it

What have we done  
Why are we stuck in here  
Why can't we move  
I remember the nights when we danced under clear skies...

Forgotten days  
In these forgotten days  
Forgotten days  
In these forgotten days
