

# All The Ways He Loves Us

Moriah Peters

He takes darkness and turns it into light.  
He takes sorrow and makes it alright.  
He holds our hearts, not just when their broken, no.  
We're in His arms and He will never let us go.  
He's our Father, we're His children.

From the sun coming up to the sun going down.  
Every breath, we breathe in and breathe out.  
Blessings are given as we are living for Jesus.  
He's the beginning and He is the end.  
He will be faithful again and again.  
We give Him praise for all the ways He loves us.

Who would come down from a heavenly throne.  
To be humbled and to make our world His home.  
What redemption, oh, He chose a cross to save.  
What affection, He died in our place.  
His grace is always reaching.

From the sun coming up to the sun going down.  
Every breath, we breathe in and breathe out.  
Blessings are given as we are living for Jesus.  
He's the beginning and He is the end.  
He will be faithful again and again.  
We give Him praise for all the ways He loves us.

He gave His life away.  
We worship unashamed.

From the sun coming up to the sun going down.  
Every breath, we breathe in and breathe out.  
Blessings are given as we are living for Jesus.  
He's the beginning and He is the end.  
He will be faithful again and again.  
We give Him praise for all the ways He loves us.  
For all the ways He loves us.  
For all the ways He loves.

He loves, He loves, He loves, He loves.  
He loves, He loves, He loves, He loves us.  
Oh, He loves, He loves, He loves, He loves.  
He loves, He loves, He loves, He loves us.
